Vertical Horizon Guitarist to Perform Sept. 7

KEUKA PARK, N.Y. - Some former band members find success on the solo circuit and others do not.

Count Seth Horan among the former group. The Buffalo-born bassist, former member of Vertical Horizon, will make his second Keuka College appearance Friday, Sept. 10 at 8 p.m. in the Terrace. It is free and open to the public.

Horan's third CD, *Conduit*, is set for release Tuesday, Sept. 7.

After leaving Vertical Horizon, Horan returned to his hometown and explored the Buffalo acoustic scene, following in the footsteps of Ani DiFranco and the Goo Goo Dolls. In 1999, Horan teamed up with producer and guitarist Scott Fletcher and the result was *This is the Session* Horan's debut CD.

That CD features *Tarot* and *What You Don't Say*, songs that showcase Horan's funky, two-handed bass technique and powerful vocals.
